Dear Parents and Challengers,

WORLD CHALLENGE EXPEDITION - 2020

I am writing to first congratulate you on taking your first steps on World Challenge. The number of students who have put themselves forwards this year has been exceptional and it is a pleasure to see such enthusiasm.

In order to begin the process of preparation for the expedition, I would like to invite you to a meeting at Philip Morant School on Tuesday 29th January. Challengers will be expected to meet in H12 from 3:45, before being joined by parents and carers at 5:30 at the college café, which can be found adjacent to the library and visitor reception.

This meeting will be led by Emma Bruggenwirth, whom you may recall also delivered the launch session of this year's World Challenge. World Challenge have also asked that you bring along a copy of your passport, either as a photocopy or as a photo on your phone.

Over the course of this meeting, various aspects of the expedition will be covered, including:

- Getting to know the destinations we will be visiting and people we will meet
- How best to prepare for the various aspects of the expedition
- The support offered by World Challenge
- The tools you will need to arm yourself with in order to start earning your place

Should you have any queries prior to the meeting, please get into contact with World Challenge on 01494 427 600 or email customersupport@myworldchallenge.com.

Yours Faithfully,

Mr C. Jasper
School Leader
