IET Faraday Challenge Awards Event, Wednesday 26 June 2019

Dear Parent/Carer,

Congratulations again for your child's part in the team's recent completion of the IET's Faraday Challenge on Tuesday 29th January.

As part of the celebration of the team's success, the team have been invited to attend an awards event at the Institute of Engineering and Technology in London on Wednesday 26th June 2019, as the "wildcard team". This is a fantastic opportunity to celebrate both our school's and your child's personal success with this challenge.

The event will run from approximately 1-4pm. We will travel on the train from Colchester main station at 10am and aim to return to Colchester main station at around 6pm. Your child will need to bring a packed lunch and be in full school uniform.

We will meet in the quad at Philip Morant School at 9am, and the taxi will take us to the station in the morning. Arrangements will need to be made for your child to get home from the train station after the event, as the taxi **will not** come back to collect us in the evening.

As per the Trust's Charging Policy, in order to ensure that this opportunity is available to our pupils, we would like to ask for a voluntary contribution of **£17.60** from the parents & carers. The cost will be for a return train ticket to London which includes travel on the Underground. Unfortunately, the school does not have the available financial resources to fund this visit so unless we are unable to cover the full cost from contributions, we may have to cancel the trip.

If you would like your child to celebrate our school's success by participating in this fantastic trip to London, please make payment via ParentPay and send your reply slip to student services by Monday 25th March 2019

If you have any questions about the trip, please do not hesitate to contact me.

Yours sincerely,

Mr C Barker
Trip Leader
